

Services for Chronic Patients & Carers

香港復康會
The Hong Kong Society
for Rehabilitation
社區復康網絡
Community Rehabilitation Network

Service Goals:

Empower chronic patients & carers

- *to take actions to improve their own lives (self-management);*
- *to contribute to well-being of the others (mutual support).*

Service Categories:

- *Family as a unit* (self-management program, exercise class, diet class, workshop related to specific skills)
- *Carers' well-being* (psycho-therapeutic program)
- *Mutual support & Advocacy*

New Initiatives:

Strengthen Support to Carers

Project on SMARTCare

Carers' Mutual Support Platform
